We Go Further When We Go Together.

The background is divided into three horizontal bands: a light orange band at the top, a light yellow band in the middle, and a dark blue band at the bottom. The blue band contains several abstract geometric shapes: a small blue square and a small green square near the top center; a large purple semi-circle on the right; a yellow triangle and a grey semi-circle at the bottom left; and a grey semi-circle on the right side.
